

## CLEP Policy - California Coast University

California Coast University (CCU) welcomes students from a wide variety of backgrounds and learning experiences. Many students come to our Institution with a firm grounding in many of the disciplines we teach. CCU recognizes their prior learning by accepting a full range of College-Level Examination Program® (CLEP)® exams, which measure mastery of college-level, introductory course content in a wide range of disciplines. Students who obtain the credit-granting score required can earn the credits and course exemptions listed below. CCU grants a maximum of 93 credits for successful performance on CLEP examinations.

Visit the College Board website at [www.collegeboard.com](http://www.collegeboard.com) to locate a Testing Office.
