STUDENT/GRADUATE PROFILE

Thank you for taking the time to complete our Student/Graduate Profile form. We value your experiences with California Coast University and the information you provide helps us in two different ways. First, we use it for institutional research to improve our educational programs to better fit the needs of our student body. Second, the information you provide may be featured in an upcoming news post on Coastline - the University newsfeed.

If you would like to participate, please fill out this form and return it to the editor@calcoast.edu. If you need additional space, feel free to write on the back of this form.
